

Digital Devices Ltd. Environmental Policy DD-EMS-EVP

Policy Statement

We recognise our responsibility for environmental protection and we are committed to minimising any negative effects upon the environment caused by our products, processes and services. We will ensure compliance with all environmental legislation and other relevant environmental requirements.

In accordance with the Policy Statement, we are committed to:

- *Continually improve the environmental management system.*
- *Reduce the amount of waste generated and reuse or recycle materials where practicable to minimise the need for disposal.*
- *Reduce consumption of non-renewable resources whenever possible.*
- *Provide training to promote awareness of environmental issues to ensure that the Environmental Policy is understood throughout the business.*
- *Work with suppliers, contractors and customers to promote awareness of environmental issues and the need to operate in an environmentally responsible manner.*
